On this occasion, the Valboz is the focus for our rather excellent New Orleans map: These are very, very good! I've added them to the appropriate Arpanet forum: I'm sure you could add the JAP map to there too. Larry PS -- I've included a summary of this thread with a couple of links at the end of my "In the News" On Tue, 31 Jul 2005 17:37:47 +0200 (CDT), Outlawsoft wrote: My download finished 30 min ago. Thx for providing this: Where can i find them? A website or at least a place in an FTP site? Thanks. The full series of graphic maps in HTML format are now available in this page: The valboz page is just one example of these. I'm finding out how to better update the site for easier browsing. Larry PPS -- In case you care, I'll note that Foxfly will have the Arpanet groupware running again in a week. I don't know for sure whether my formats will work there, since it's a different service, but it's worth a try: --Roger -- Roger G.
